The MDAO program began in August 2020 with leadership training workshops, managed by the English Language Center at UNTL, and a two-week boot camp focused on developing leadership, proposal development, and pitching skills. 30 alumni of U.S. Embassy programs worked in 10 teams, with prominent alumni mentors, to develop project ideas that would serve their communities. In the final activity, a pitching competition, four groups won up to \$4,000 each in seeds funding to realize their project idea. The U.S. Embassy contributed a total of \$11,000 for the four projects.
